Training Session on the Use of *Manupatra*

This is to inform all students of the Department of Law and Justice that the Department, in collaboration with the *Manupatra Team*, has arranged a **hands-on training session** to assist students in using the *Manupatra Legal Research Platform* more effectively.

As many students have experienced difficulties and complexities while using the platform, this session has been organized to provide practical guidance on its features, legal research techniques, and efficient utilization.

Training Details:

- **Date:** 02 August, 2026 (Sunday)
- **Time:** 12:45 p.m.
- **Venue:** B1/504 (B)

Students who are interested in enhancing their legal research skills are strongly encouraged to attend.

Please Note:

- **Seats are limited.**
- Class Representatives (CRs) of all Intakes are advised to attend the training.
- Participation will be on a **first-come, first-served basis**.
- Only **eager and interested students** are requested to join the session.
Students of the final year are strongly advised to attend the training session seriously and actively participate, as it will enhance their legal research skills.

Students are advised to be present at the venue **10 minutes before** the scheduled starting time.
